

INDIA'S #1 DIGITAL MARKETING INSTITUTE & COMPANY

WHAT IS DIGITAL MARKETING?

#1

Digital marketing is a part of marketing. And this marketing is done online through website, application, graphic, content creation, SEO, SMO & PPC Or video, etc. That is why it is called digital marketing.

WHY DO DIGITAL MARKETING?

#2

If you do marketing through newspapers, TV, and hoarding, etc., you have to pay more. And you don't even get any report. But in digital marketing, you can show your ads to your target audience in less time and money.

HOW TO LEARN DIGITAL MARKETING?

#3

If you want to learn digital marketing, you can learn by resorting to any online or offline institute, for which they can also charge you some fees. But if you want to learn for free, then follow us on social media, and keep getting our updates constantly.

NEED TO LEARN DIGITAL MARKETING?

#4

You do not need any degree and diploma to do digital marketing. For this, all you need is a computer, Internet connection, and some money. After which you can start doing digital marketing.

DID EXPERIENCE REQUIRED OR NOT?

#5

Yes, you need a lot of experience to do digital marketing. Because death and the customer have no idea when and how he arrives?
